

# Fleet Trucks Done Right!

**PROLID**  
BY SNUGTOP

- Improved Fuel Economy
- Total Cargo Security
- Rugged Construction

**SNUGTOP**  
THE PERFECT FIT

***Snugtop's ProLid™ Provides Many Important Benefits For Fleet and Work Truck Operators.***

## **Up To 10% Better Gas Mileage!**

Extensive wind tunnel and on-track testing has confirmed that trucks equipped with a tonneau cover are more aerodynamic than those with an open bed. Fuel economy tests show gains of up to 10% —depending on the host vehicle.

## **Protects Your Valuable Cargo**

Use of a Snugtop ProLid shields cargo from the elements: rain, snow, blowing dust, etc. Moreover, covering the cargo reduces invitations to theft. The ProLid's design and heavy-duty locking system provides security you can count on!

## **Built For Long Term Service**

High strength reinforced fiberglass construction, stainless steel hinges and heavy-duty hardware assures reliable operation. And Snugtop's legendary fit and finish is second to none. The ProLid is backed by a 3-year structural and paint warranty.

## **SNUGTOP HAS A LONG HISTORY OF EQUIPPING FLEETS**
